GOURMAND SIG

by Pat Yaros

Attendance was low at our last meeting, but those who were there enjoyed the food; everyone else simply missed out. Present to check out Harpoon Larry's in Hampton were the following: Don Gregory, Denise Ross, and Ray Whipple.

Dishes tried and ratings given to them – from one to ten, with ten being the highest – were as follows:

Don	Filet Mignon and garlic mashed potatoes	9.0
Denise	Crab Cake and sweet potato fries	9.0
Ray	Stuffed flounder and veggies	8.5

Comments about the meal included the following: Ray said that this was the best flounder he had eaten there and that he eats there often. However, he pointed out that the room is loud, a comment that was echoed by Don.

Let's spice up our dinner for May. How about this – we'll get together on **Wednesday, May 15th** at Aago Indian/Nepalese Restaurant in Newport News. Never had Nepalese food? Look for it to be slightly milder than the Indian food. And you get to choose how spicy you want your dinner to be. For those not familiar with the scale, try a Level 2 for starters. This restaurant also offers vegetarian and gluten free dishes. If you know you will be attending, please make your reservation with Pat Yaros a week ahead of time. But if you find out at the last minute that you can come, please do so. We'll get together at **6:30 pm**. We would love to have YOU join us!
