TIDEWATER MENSA ANNUAL HALLOWEEN PARTY!!

Our October MG will be our ever-popular Halloween costume party and our host will be none other than our own Vice LocSec Denise Ross. Join us on Saturday October 27 for one of the most popular gatherings of the year. Start time is 7pm, unless you are dying to come early. Information and contact information are on page 5 of this edition.

We will have a cash prize for the best costume or couple costume, and there will be lots of pranks and surprises for those hardy souls who dare to venture to this morbid gathering. Even if you don't want to dress up, come out and see what creative minds your fellow Mensans have with their over-the-top costumes. You won't believe what some people come out as!

Bring a side dish to share, such as blood pudding or finger foods, our host will supply ice for severed limbs, mixers, cups and cauldrons, and maybe Bloody-Mary's. Being a pathologist, there's no telling what Denise may dig, er, cook up.

First timers are especially encouraged: it's time we had a little "new-blood" in the chapter!!

Steve Toth
Activities Director

TIDEWATER MENSA TESTING IN OCTOBER

Our next test sessions will be on 10/21/2018 at 2:00pm at the Willow Oaks Library in Hampton and on 10/27/2018 at noon at the Lafayette Library in Norfolk. In honor of the anniversary of Mensa, testing for the month of October will be 50% off (i.e. \$30 instead of \$60). Additionally the national office is now in the process of emailing a new round of MVP vouchers, which you can provide to a friend or family member to allow them to test (or to submit qualifying evidence) for free. And we are still running our \$40 dues reimbursement incentive for brand new members in the Tidewater area, which is all the more reason for encouraging your friends to test/join right now. If you have any questions or would like to schedule a session, please contact testing@tidewater.us.mensa.org.
