

## September ExComm Minutes

Tidewater Mensa's Executive Committee met on September 8 at Mama Rosa's in Hampton. Attending were Sam Coole, Steve Toth, Jamie Roche, Victor Norris, John Williams, Don Gregory, Dave and Joyce Gunderlach, Joe Turlo, Charles Thompson, Phoenix Malizia, and John Treffeissen.

The minutes from the previous meeting were read and approved. Next, the treasurer gave his report and stated that we are still waiting for documentation from our scholarship winners. No graphics were presented with this report, and we are down \$2,000, mostly because of scholarships, and have roughly over \$11K in our accounts. Phoenix tells us October is 1/2 price month for testing, and we have adequate proctors available.

Jamie proposed a special event for November, with a \$200 maximum expenditure which was voted on and approved. Steve presented all of the future activities planned, with the upcoming picnic being a headliner. Additionally, the capitol trip was a great success, with all attendees well pleased.

Jamie tells us she will be relocating to Rhode Island in Feb--WAAH! Joe solicited scholarship readers for the upcoming years by bribing them with the promise of free pizza. What a guy!

After all that, all was quiet, and we adjourned, with the next meeting scheduled for October 14 at Mom and Pop's, where all are invited.

Recording Secretary

## JOINT ACTIVITY SUCCESS!

During the month of September, TM held two joint activities with RAM (Richmond Area Mensa) that were outstanding events.

First, we traveled Richmond for a tour of the Capitol, a delicious lunch, and a fabulous visit to the Fine Arts Museum.

Next, there was a joint-picnic extravaganza at Newport News park two weeks later.

Both events had an outstanding turnout, with many new and inactive members attending, with about 25-30 patrons each! Can't argue with success!

So, hang onto your hats, we're just gettin' started!
