

## **SPECIAL NOTICE**

Due to the unusual circumstances imposed by the COVID-19 pandemic, there will not be an MG to tally the submitted votes and cheer on our newly elected/re-elected ExComm members. Instead, the mailed-in ballots will be collected and tabulated by the Elections Committee and the results reported to the ExComm, which will in turn report the results to you.

Please support your Tidewater Mensa by voting. Although voting for nine candidates to fill nine positions may seem like a no-brainer, it does show that the membership is engaged and supportive of the ExComm leadership. Thank you.
