

From RVC2

My fellow Mensans,

American Mensa is full into its election season! The voting period began on April 15 and extends through May 15. If you already voted, thank you! If you have not yet done so, please let your voice be heard. There are three categories of things you can vote for: American Mensa election, Changes to the Bylaws, and International Mensa. Be sure that you see all three options on your ballot. They may come in different emails or letters, or be found by scrolling down on a website to the bottom of the page. Be on the lookout for each of them. As you decide for whom to cast your ballot, ask around. Talk to Mensans you trust. Your

LocSec will be especially *plugged in* as to the happenings, so he or she is a great resource.

The next big events for us are as follows: SynRG (Houston, May 24-27), our Annual Gathering (Phoenix, July 3-7), and Pandemic RG (Aug 16-18). My friends, if you plan on going to the AG, don't delay. Register ASAP. Things have been selling out quickly, especially due to our uber-popular keynote speaker: MythBuster's own Adam Savage!

Lastly, I'd like to thank you. My term as your RVC is about to close, and you have all been nothing short of wonderful. I highly appreciate your dedication to your local group, to the region, and to American Mensa. I ask that you join me in supporting my successor, Ms. Henri Buccine-Schraeder, with all the enthusiasm and zeal you so joyously gave to me

Mens Sana,
Jason Seiler, RVC-2
