My fellow Mensans,

A month down in 2018, and we are already well into American Mensa renewal season. Yes, my friends -- for those of you who are annual members, or whose 3 & 5 year memberships are coming due, it's time to look to the next year and ask yourself how you want to utilize your American Mensa membership. Are you happy with your current level of involvement? Do you want to do more and get further involved? Do you perhaps need to pull back and take a break? Or have you found that 'goldilocks' spot which is just right? Whatever you choose, I look forward to working with each of you to help in that goal. There are volunteer opportunities at the National, Regional, and Local levels that take a lot or just a little of your time. Many of these opportunities don't even require you to leave the comfort of your home, such as reading essays

to help judge a scholarship competition. Your local or our regional scholarship chair would love to have your help.

In addition, my Regional Young Adult Mensa coordinators tell me we are nearing 100% of our local groups having a local coordinator. That is fantastic! If you are aged 21-40, know that we are making events in your honor! Everyone is welcome to attend, of course. These events may be barroom trivia, escape rooms, hikes, brewery tours, etc. Don't see something you want to do? Tell us! We will be happy to include your event. But if you don't say anything, we will never know.

Mens Sana,
