Full registration fee refunds (minus PayPal fees, if applicable) are available for all cancellations prior to September 19th, 2022; 50% refunds are available thereafter.

The registration fees cover hospitality (Friday & Saturday dinner, Saturday lunch, snacks, beverages), badges, and speakers, but not any fees associated with area events or attractions outside the hotel; additionally, RG wine- and bourbon-tasting events may incur an additional charge. You must be 21+ to consume alcohol. Saturday night's dinner will consist of a fresh seafood dinner, with a couple of non-seafood and vegetable options. If this does not meet your dietary needs, we are willing to provide gift certificates on Saturday night to *partially* subsidize your alternative dining plans in the Ocean's 14 Restaurant on the 1st floor in lieu of the fresh seafood dinner. The certificates will only be good for that location on that evening, and will be in the amounts of \$30/adult, \$25/teen, and \$15/child.

Please make your hotel reservation *directly* with the Best Western Sandcastle Plus at (757) 428-2828, and be sure to mention that you're part of the Mensa event in order to get the \$129/night rate. Oceanfront rooms are available. Breakfast is included for hotel guests. It is not a pet-friendly hotel, but properly-documented service animals are permitted with prior approval from Jan Williamson, the hotel manager.
